

Why buy your Handi-Quilter From Country Traditions

The decision of where to buy your Long Arm quilting machine is just as important as deciding on the machine itself. With the purchase of your Long Arm quilting machine you are also purchasing the dealer and their support. For the lifetime you own the machine your dealer should be the person you go to for support visit for classes, new inspiration, and general maintenance. You should feel comfortable with your dealer and give consideration to what after sales support they offer, and if there is any additional cost for this support. Country Traditions has been a Handi-Quilter dealer Since 2003 and have been a Top-10-Sale Rep for the last two years and a Best-of-the-Best Rep award winner. We feel strongly about the Handi-Quilter brand, and actually enjoy quilting on the machines ourselves. We would love to share our passion for quilting with the Handi Quilters with you. With any new machine purchase, we provide:

1) Complimentary Lifetime Owners classes

For the lifetime that you own your machine you can come in for Owners classes. All of our Long Arm classes are held in group settings allowing you to not only learn from the instructor but also from your fellow students. Classes are offered throughout the year, mostly on Saturdays. You are invited to take the owners classes as often as you would like.

Long Arm Quilting Technique Classes

Long Arm Technique classes usually offer on Saturdays, with students having hands on practice time on the shop's machines. Some of the different technique classes we offer are: Pantographs, Feathers, McTavishing, Freemotion, and Machine Truponto. As a Thank-you for selecting us as your Rep, we give Country Traditions Owners \$20.00 off all of our Long Arm Quilting Technique Class Registrations.

Complimentary Delivery and Setup (with in 350miles of the shop)

With the Purchase of your Handi-Quilter Country Traditions will personally deliver you machine, Set it up and spend a couple of hours quilting with you on it, so when we leave you feel comfortable with your new machine and ready to play.

Knowledgeable Handi-Quilter Certified Support Team

We have a large Handi-Quilter support team who actually quilt their quilts with Handi-Quilter machines and are available to answer many of your Handi-Quilter technical and Long Arm technique Questions.

Onsite Certified Handi-Quilter Technician

We have an onsite certified Handi-Quilter Technician, so when your machine comes in for its yearly check up, all the work is done right here and the machine never leaves the store.
