Quickly change over to Embroidery with just a tap on the High Definition Screen. Choose from over 100 Built-in Embroideries or bring over designs from your computer using the USB Stick. Look at what else this fun machine offers:

-  **Original IDT** – Only from Pfaff is the original IDT (integrated dual feed) Giving you perfect even feed of fabric from both top and bottom.
-  **Large Sewing Space** – 10 inches of sewing space to the right of the needle
-  **Large Embroidery area** – The Creative Vision has the largest embroidery area of any machine on the market, allowing you to embroider designs up to 260x200mm or purchase the large Embroidery arm and embroider up to 360x350mm in a single hooping.
-  **High Definition Screen** – the high resolution screen shows you embroidery designs in both 3D and 2D viewing along with showing you all the stitches in true size and detail.
-  **Cut Jump Stitches**—No stop to cut the jump stitches when moving through a embroidery design the Creative 4.0 will automatically do that for you.
-  **Precision Positioning** – Quickly and easily position embroidery designs to the correct location of use, it also combines different embroidery designs into your own unique design
-  **Save Current State**—in the middle of an embroidery or when you need to leave. You can save the design in its current state and shut off you machine while you are gone and then start right back up when you get home.
