

Pfaff Hobby 1142 **Sewing Machine**

Looking for a nice basic machine to handle your occasional sewing needs. With 23 5mm stitches including a fantastic one step button hole, the hobby 1142 is sure to make your sewing a breeze. Find all your Accessories at your fingertips or remove the accessory tray and use the free arm to mend a cuff or select one of the decorative stitches and embellish your shirt sleeve.

-  **23 Stitch Package** - Decorative and utility stitches for beautiful finishing touches and decorative effects
-  **One-Step Buttonhole** - Sewing buttonholes has never been easier.
-  **Integrated Needle Threader** - Makes threading the needle a breeze.
-  **Oil Free** - The Pfaff Hobby 1142 is self oiling
-  **6 Needle Positions** - Move the needle to one of 6 needle positions for precise topstitching
-  **Removable Accessory Tray** - Remove the accessory tray to use the slim free arm for sewing cuffs.
-  **Sturdy Hard Cover Carry Case** - To protect your Hobby1142 when not in use.
